

Dear Customer

Re: A46 resurfacing works

I'm writing to inform you of some upcoming maintenance works on the A46, near Tewkesbury. This work will be carried out by our contractor, Kier, on our behalf.

What we're doing and why? What are the benefits?

We'll be resurfacing the A46 between Grafton and Ashton Underhill, and Hinton Cross to the A46/A4184 roundabout. The work has been identified following the deterioration of the carriageway. We'll also be replacing the road markings and road studs. The completed work will provide a smoother surface and safer road, including clearer road markings.

When will this work take place?

We'll work from **7 September 2020 to 16 October 2020, Monday to Friday, 8pm to 6am**. To minimise disruption to our customers, the work will be delivered as follows;

- From 7 September to 3 October, we'll resurface the A46 from Grafton to Ashton-under-Hill.
- From 5 October to 16 October, we'll resurface the A46 from Hinton Cross to the A4184/A46 roundabout.

Access to frontages will be maintained throughout, this will be provided via an escort through the closure. A reduced speed limit of 40mph will be enforced when running on a temporary surface throughout the day.

Please be aware that Severn Trent Water will be working to install a new sewer main just off Teddington Hands roundabout. To install the main, the A46 will remain closed from 8pm on Friday 11 September to 6am on Monday 14 September. A contingency shift for the following weekend from 8pm on Friday 18 September to 6am on Monday 21 September has been allocated, if required. Severn Trent Water can be contacted on 0800 783 4444.

What does this mean for you

During closures, we'll provide a fully signed diversion route- please see the reverse of this page for further details. To note, emergency vehicles will be allowed through the closures at all times.

If you'd like to be kept up to date with future works along the A46, please subscribe to our mailing list by emailing noreplyA46WMids@highwaysengland.co.uk.

A46 Grafton to Ashton-under-Hill and Hinton Cross to A4184/A46 resurfacing (including Severn Trent Water) diversion.

I'd also like to apologise in advance for any inconvenience or disruption to those living close to the work. We'll make every effort to carefully manage noise levels and additional lighting to minimise the impact.

We're following the latest government guidelines and will incorporate any new measures, including social distancing guidance, into our safe workplace planning. All our sites have strict safeguarding measures to prevent the spread of COVID19 and none of our sites are open to the public. All major construction projects are closely monitored, and the situation is kept under constant review
